Subject: Transmittal of Approved Amended Notice of Intention to Commence Large Mining Operations (NOI) and Reclamation Surety, Martin Marietta Materials, Inc., Milford Quarry, M/001/0036, Beaver County, Utah

Dear Mr. Stafne:

The Division of Oil, Gas & Mining failed to send you an approved copy of the amended plan and maps associated with Amendment #4 when this amendment was approved. We compiled a complete consolidated copy of the plan using Appendices 1-8 from the Rinker plan together with the most recent updates from the plan that you submitted.

Enclosed is a copy of the "approved" Notice of Intention to Commence Large Mining Operations for your files. Please keep your plan current by submitting changes using Form MR-REV which is located on the Division web site at www.ogm.utah.gov/minerals.

All future correspondence should reference M/001/0036. Thank you for your help and patience in finalizing this permitting action. Please call me at 801-538-5261 if you have any questions about this approval.

Sincerely,

Paul Baker.
